Dear Mr. Urbantke:

This letter is sent as part of our ongoing efforts to keep you apprised of developments affecting the cable television system serving your community. This letter includes two unrelated items.

Programming

Notifications of changes to programming in your community are printed in the Dallas Morning News on the 1st and 3rd Monday of each month. As required, we are forwarding the list of potential changes, via the list enclosed. Please note that networks listed in the notification may not be carried in all communities.

TWC In the Community

Time Warner Cable National Teacher Awards turns 20 this year. This program is designed to recognize outstanding teachers who use cable television resources to develop creative learning experiences, effectively use the Cable in the Classroom educational programs and stimulate a national exchange of innovative ideas and programs among educators. We are currently running Public Service Announcements all over the state and reaching out to schools and administrators in each community inviting participants to enter submissions by March 27, 2009. For more information please visit our website: www.timewarnercable.com/nationalteacherawards

If you have any questions or concerns, please do not hesitate to call me at 210-582-9525.

Sincerely,

Clem Maddox, Director of Government Affairs
