

UNIFIED DEVELOPMENT CODE INFORMATION BULLETIN

APPROVED PLANT LISTS

The following is the list of plants approved by the Zoning Administrator. These plants were selected as commercially available native plant species suitable for planned landscapes in North Central Texas. All trees, plants, ornamental grasses, ground covers, and vines planted on the site must be selected from this list.

Additional information on native and drought-tolerant species can be found online at [Texas Smartscape](http://TexasSmartscape.com) and the [Lady Bird Johnson Wildflower Center](http://LadyBirdJohnsonWildflowerCenter.com).
