(Required: Check only one)

7 Policy Statement

On March 30, 2021, the Arlington City Council approved the resolution to adopt the City's Minority/Woman Business Enterprise (MWBE) Policy & Procedures Manual. This MWBE Policy seeks to reduce race- and gender-based barriers and foster participation with minority and woman-owned businesses in contracting and procurement opportunities with the City of Arlington by increasing the capacities of such firms to perform as prime vendors and subcontractors as well as suppliers.

The City of Arlington reaffirms that it will not, nor will its contractors, discriminate based on race, age, color, religion, sex, national origin, ancestry, gender, disability, or place of birth in the award and performance of contracts.

Every locally funded contract will be evaluated by the City of Arlington's Office of Business Diversity (OBD) to determine the appropriate method for enhancing MWBE participation, including progress towards the achievement of the annual aspirational MWBE goal and other program objectives.

Procedures for implementation, including good faith efforts requirements, information submitted with bid proposals, reporting procedures, etc., shall be consistent with the procedures utilized in the City's <MWBE Policy & Procedures Manual>.

MWBE PROJECT GOAL

The City's MWBE aspirational goal, for this project is 30 %

Trades identified for this solicitation includes:

- The contractor's MWBE commitment percentage is based on the total value of the contract including any change orders and modifications throughout the contract agreement.
- The criteria used to set a MWBE Contract Specific Goal shall include business availability, the nature of the contract, the City's past experiences with MWBE participation in similar contracts, price competitiveness,

subcontracting opportunities, progress towards meeting the annual goal and other relevant factors.

For information about the City's Local & MWBE Policy, we have included a link to access the document (<http://www.arlington-tx.gov/finance/purchasing/bidding-procurement/>).

MINORITY/WOMAN BUSINESS ENTERPRISE (MWBE) PROGRAM

As of March 30, 2021, the City of Arlington implemented a Minority and/or Woman-Owned Business Enterprise (MWBE) program whereby minority/woman-owned businesses are included in the City's procurement process for all basic goods and services, construction, and professional services. The City and the Office of Business Diversity will ensure MWBE companies are provided an equal opportunity to compete for all City procurements.

A Contract Overall Goal of **30%** has been set for this project. All Offerors are required to utilize certified MWBE companies and/or persons for a minimum of **30%** of the total project cost. With the adoption of a MWBE Program, all proposals will be reviewed to see whether said Offeror(s) has met the requirements of the City's MWBE program.

The Contract Specific Goal can be met through MWBE prime participation, MWBE subcontractor participation, submission of the good faith efforts documentation or a combination of any of the stated methods. An MWBE prime contractor's percentage of self-performed work can be counted towards this Contract Specific Goal. If the MWBE prime contractor's participation falls short of the Contract Specific Goal, the remaining percentage can be met utilizing MWBE subcontractors or the prime's submittal of the Good Faith Effort's Checklist and supporting documentation.

All proposers must submit a MWBE Utilization Plan (see attached) along with their subcontractor's MWBE certification, with their proposal, identifying the project's subcontractor and the estimated percentage of work performed by each subcontractor. The Good Faith Effort documentation and Letters of Intent (LOI's) must be submitted by the top ranked Offeror at the time and date selected during the negotiation period. If negotiations end with that Offeror, the next ranked Offeror will be notified on how and when to submit their MWBE documentation.

Following the formal notice to proceed, the awarded Offeror will be required to report MWBE expenditures into BG2Now. Vendors are invited to submit written questions and requests for clarifications regarding the RFP. Vendors may also submit suggestions for changes to the requirements of this RFP. The questions, requests for clarifications, or suggestions must be in writing and received by the question cutoff date noted in the event details. If the questions, requests for clarifications, or suggestions pertain to a specific section of the RFP, the page and section number(s) must be referenced. If a respondent discovers any significant ambiguity, error, conflict, discrepancy, omission, or other deficiency in this RFP, the respondent should immediately notify the Purchasing Agent in writing of such error and request modification or clarification of the RFP document.

The City assumes no responsibility for verbal representations made by its officials or employees unless such representations are confirmed in writing and incorporated into the RFP. Vendors must inform themselves fully of the conditions relating to the proposal. Failure to do so will not relieve a successful bidder of his or her obligation to furnish all services required to carry out the provisions of this contract. The Contractor, in carrying out the work, must employ such methods or means as will not cause any interruption of, or interference with, the work of any other contractor.

Amendment to the RFP and Withdrawal of Offer

The City reserves the right to amend the RFP at any time. The Vendor shall acknowledge receipt of an amendment in its proposal. Vendors who submit proposals in advance of the deadline may withdraw, modify, and resubmit proposals at any time prior to the deadline for submitting proposals. Vendors must notify the Purchasing Agent in writing if they wish to withdraw their proposals.

Submission of Offers

Vendors must furnish all information necessary to evaluate the bid proposal. Offers that fail to meet the mandatory requirements of the RFP will be disqualified. Verbal information provided by the Vendor shall not be considered part of the Vendor's proposal.

Opening

Proposals will be opened publicly to identify the names of the Respondents but will be afforded security sufficient to preclude disclosure of the contents of the proposal, including prices or other information, prior to award. After the RFP opening, the offers will remain confidential until the Evaluation Committee has reviewed all offers submitted in response to this RFP and the City has executed a contract.

Costs of Preparing the Offer

The costs of preparation and delivery of the bid proposal are solely the responsibility of the Vendor. No payments shall be made by the City to cover costs incurred by any Vendor in the preparation of or the submission of this RFP or any other associated costs.

Rejection of Offers

The City reserves the right to reject any or all offers, in whole or in part, received in response to this RFP at any time prior to the execution of a written contract. Issuance of this RFP in no way constitutes a commitment by the City to award a contract. This RFP is designed to provide vendors with the information necessary to prepare a competitive proposal.

Disqualification

The City may reject outright and shall not evaluate proposals for any one of the following reasons:

1. The respondent fails to include information necessary to substantiate that it will be able to meet a service requirement.
2. The Vendor fails to respond to the City's request for information, documents, or references.
3. The Vendor fails to include any signature, certification, authorization, stipulation, disclosure or guarantee requested in section 4 of this RFP.
4. The Vendor presents the information requested by this RFP in a format inconsistent with the instructions of the RFP.
5. **The Vendor initiates unauthorized contact regarding the RFP with City employees and/or officials, or members of the evaluation committee.**
6. The Vendor provides misleading or inaccurate responses.
7. The Vendor limits the City's rights.

Nonmaterial and Material Variances

The City reserves the right to waive or permit cure of nonmaterial variances in the offer if, in the judgment of the City, it is in the City's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other vendors, that do not change the meaning or scope of the RFP, or that do not reflect a material change in the services. In the event the City waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the Vendor from full compliance with RFP specifications or other contract requirements if the Vendor is awarded the contract. The determination of materiality is in the sole discretion of the City.

Reference Checks

The City reserves the right to contact any reference to assist in the evaluation of the bid proposal, to verify information contained in the bid proposal and to discuss the Vendor's qualifications and the qualifications of any subcontractor identified in the bid proposal.
